

Tysoe CE Primary School

Beech Class Curriculum Overview

Spring Term 2025

He will also send you rain for the seed you sow in the ground and the food that comes from the land will be rich and plentiful. Isaiah 30:23

To them he has given knowledge of all the arts of the hard worker, of the designer and the expert workman. Exodus 35:35

As readers and authors, we will be enjoying and writing about the stories *That Rabbit Belongs to Emily Brown* by Cressida Cowell and *What the Ladybird Heard* by Julia Donaldson.

As mathematicians, we will be having fun practically, orally and with recording as we are looking at number, place value, addition & subtraction, length & height and mass & volume.

As creative artists, we will be engaged with being an architect with designing and drawing.

As scientific enquirers, we will be learning about building materials including being waterproof and exploring changes that happen in different ways.

As historians, we will be looking at the toys we play with now and comparing with the toys played with in the past.

As geographers, we will be finding out about farms, looking at different types of farms and comparing farms in different locations.

As users of technology, we will have an introduction to data and learn how to use scratch junior.

As theologians, philosophers and social scientists, we will be learning about sacred people in stories and discussing why Christians put a cross in an Easter Garden.

As practical problem solvers, we will design then make a moving story book.

For our health and well-being, we will be looking at our emotional wellbeing, recognising ways to keep ourselves healthy and keeping ourselves safe.

Nurturing hearts. Serving with love. Growing minds.
